A NOVELTY IN THE ART WORLD. Photography upon Porcelain. Secured by Letters Patent in the United States, England, France and Bel-;gium.

The American Photographic Porcelain Company. No. 781 BROADWAY, NEW YORK,

Having secured their novel and ingenious invention by Having secured their novel and ingenious invention by American and European patents, are fully prepared to execute all orders for "MINATURE LIKENENES OF PERSONS ON CHINA," presenting all the attractive and advantageous features of ordinary photographs, the brilliancy and finish of a water color drawing, and a hitherto unattained quality of durability, by being rendered as imperishable as the natural properties of the articles upon which they are transferred.

As the patented process of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of the Company enables the reproduction of Photographs, not only on plain surfaces, but upon such as are round or of any degree of the Company enables the reproduction of Photographs, not only on plain surfaces.

ONE Thousand pends Potash on hand, and for sale faces, but upon such as are round or of any degree of the Company enables the reproduction of Photographs, not only on plain surfaces. irregularity—portraits can be reproduced with fault-less accuracy, and delicacy of defineation, upon Por-celain wares of any description and dimension used as articles of luxury or of household utility, such as URNS, VASES, BREAKFAST CUPS, TOI-LET ARTICLES, &c.;

LET ARTICLES, &c.;
thereby securing faithful portraits and furnishing an unique and exquisite style of ornamentation of articles in domestic use.

In erder to furnish facilities for the gratification of the popular taste, and to meet the wants of those patrous of the Fine Arts desirous of having Portraits on Porcelain, the Company have imported from Europe a collection of superior porcelain goods, manufactured to their own order, which they sell at cost prices.

As the American Company are owners of the patent right, and consequently the only persons authorized to use the process, they have determined, in order to afford People in every section of the Union an opportunity to possess Portraits on China, to make the following proposition to residents in the country, who are unable to visit personally the Atelier and Galleries in New York. Persons sending a photograph, ambrotype, or dagnerreotype to the office of the Company in New York, accompanied by Five Bottlars, will receive in return by express, free of other charge, a richly ornamented Breakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a daguerreotype and tray bottlars, they will secure in like manner, a handsome Fronch Vass or Toilet Article, with the portrait reproduced by the patented process.

By sending a pair of daguerreotypes and previan bottlars, they will receive in return a pair of rich severs Vasses, with the portraits executed equal to minature paintings; and, in like manner, portraits can be reproduced on porcelain wares or Vasse of every quality of fluish, ranging in price from Twenty to One Hundred dollars the pair.
